**Welcome to the online uniform service which your school has asked us to provide.**

**How the service works:**

- Register or sign in by visiting our website at [www.stitchdesign.co.uk](http://www.stitchdesign.co.uk). You will need the school's postcode to register.
- Once registered please place your order and pay for it online.
- The scheduled delivery date will be displayed at the top of the online shop. The full schedule should have been communicated to you separately. If you do not have this information then please ask at your school, so you do not miss any cut-offs.
- If you are unable to place your order online please ask at your school for an order form, which can be sent to us.
- Items in the shop, and their prices, have been fully approved by the school.
- An on-screen sizing guide is available next to each item in the shop. We recommend checking the 'to fit' chest and waist sizes, where available, as age-based labelling is subjective and can change between manufacturers.
- Please check your confirmation email to ensure that everything on your order is correct and contact Stitch Design as soon as possible if a mistake has been made.
- Any problems in supply will be communicated to you by the despatch note which will be attached to the front of your parcel, in the window marked "Documents enclosed".
- If you have any problems please consult the "Instructions and FAQ's for Parents" page.
- We have a technical support number if you are having problems with your account, or placing an order. In these circumstances please call on 01256 771999.  
If you need to enquire about an existing order then please email, stating your order reference number and as much detail as you have about your problem, to [online@stitchdesign.co.uk](mailto:online@stitchdesign.co.uk).
- If you need to return any items for refunds and exchange please email the details to us at [online@stitchdesign.co.uk](mailto:online@stitchdesign.co.uk) and we will advise of what action to take.

We look forward to receiving your orders.

**Stitch Design Delivery**

Cut off dates for orders will be on the 1<sup>st</sup> and 16<sup>th</sup> of every month. Delivery of these orders to school should be within 15 working days. If the school is closed, delivery will be held until school is next open. There will be a home delivery option for parents if you wish to receive your order at your home address (with a small fee). This will, however, be essential if you place an order during Summer holidays.
