

Our Lady and St Edward's Catholic Primary School WHOLE SCHOOL ATTENDANCE POLICY

School Mission Statement

We are inspired by the teachings of Jesus Christ who is at the heart of all that we do.

Working in unity with our families, parish and community, we encourage and support the children to grow in faith and reach their full potential in a happy, caring and loving environment.

Rationale:

At Our Lady and St Edward's Catholic Primary School we recognise that attending school regularly has a positive impact on learning, progress and therefore the best life chances for children. We will encourage good attendance for all pupils, by offering an environment in which pupils feel valued and part of the school community. It is supported through our Mission Statement.

Department for Education (DfE) guidance states that all schools should have effective systems and procedures for encouraging regular school attendance and investigating the underlying causes of poor attendance which should be set out in an attendance policy. These systems should be reviewed regularly and modified where necessary to reflect the circumstances of the school.

Aims

We will

- Promote a culture across the school which identifies the importance of regular and punctual attendance.
- Make attendance and punctuality a priority for all those associated with the school; including pupils, parents, teachers and governors.
- Further develop positive and consistent communication between home and school.
- Set targets to improve individual and whole school attendance levels.

Rights, Roles and Responsibilities

We will develop a procedural framework which defines agreed roles and responsibilities for

- Parents and carers
- Pupils
- School staff
- Governors

to complement this policy, and identify how we will deliver our aims in respect of regular and punctual attendance.

This procedural framework will include guidance on

- Registration
- Punctuality
- What constitutes unauthorised absence
- Leave of absence
- Systems for monitoring attendance and punctuality for individual pupils
- Systems for dealing with absence
- Criteria and systems for referral to and working with the School Attendance Support Team and School Attendance Consultant
- Systems for monitoring whole school attendance and action planning
- Appropriate alternative curricular arrangements

Leave of Absence

Following the September 2013 amendment to The Education (Pupil Registration) (England) Regulations 2006, schools cannot authorise any leave other than in exceptional circumstances. The head teacher is the person authorised by the 'proprietor' i.e. the governing body, to make this decision. If the leave is being requested for a holiday, approval should be obtained prior to making any bookings.

Leave of absence **SHALL NOT** be granted unless:

- a request for leave has been made in advance, by a parent with whom the pupil normally resides, (using the form available from the school office)
- the head teacher considers that leave of absence should be granted due to the **EXCEPTIONAL CIRCUMSTANCES** relating to the request.

Additional information regarding leave of absence is included with the procedural framework.

Religious Absence

The school will authorise one day of absence per religious festival, e.g. Eid, (i.e. the day set aside by the religious body of which the parent is a member) and this will be marked as 'R' in the register. Parents must request any additional leave in advance and this can only be authorised if it is felt that exceptional circumstances apply (this would be marked in the register as 'C').

Use of Penalty Notices

In accordance with the current code of conduct, school may request that the local authority issue penalty notices in respect of unauthorised absence. This includes leave of absence which is taken without a prior request being made; and leave taken after a prior request has been made and parents have been informed that the period of absence would be classed as unauthorised but the leave is taken regardless of this advice. School may also request that the local authority issue a penalty notice for days taken in excess of the agreed period of leave; without good reason. Parents also risk losing their child's school place if they do not return from leave, as agreed, and readmission cannot be guaranteed.

Partnership Working

School will work with the School Attendance Support Team, the School Attendance Consultant and other support agencies as appropriate to ensure regular attendance at school. The criteria for referral and areas of responsibility for staff will be set out in the procedural framework.

Persistent Absence

The minimum attendance level which is expected at our school is 96%. It is when attendance falls below this level that school will consider whether it is appropriate to offer support in order to improve the situation. Both local and central government pay particular attention to reducing the number of pupils who fall into the persistent absence category (PA). From September 2015 a pupil becomes a persistent absentee when their attendance falls below 90% at any point during the school year; whether the absences are authorised or unauthorised. When attendance nears this level children miss significant amounts of schooling; meaning that their educational progress is put at risk. We need parents' full support in ensuring that attendance does not reach this level. However, if for any reason a child's attendance does fall into this category parents will be asked to do all they can improve the situation.

Families will be supported in this via school's robust systems for managing PA. This support may involve the need for parents, and children of an appropriate age, to agree to a parenting contract. Due to the seriousness of PA status it is highly likely that such cases will be referred to a local authority attendance team (School Attendance Support Team). Furthermore, absence data for individual pupils who are classed as persistent absentees are reported to the Department for Education; along with whole school absence figures.

Monitoring the attendance of pupils who are educated off site

The attendance of all pupils who are educated off site, or those who are dual registered, will be monitored in accordance with the procedures outlined within the procedural framework.

Review of Whole School Attendance Policy

This policy and the associated procedural framework will be reviewed annually.

WHOLE SCHOOL ATTENDANCE POLICY PROCEDURAL FRAMEWORK

This document forms part of the whole school attendance policy. It sets out the rights, roles and responsibilities for parents/carers, pupils, school staff and governors; and the systems and procedures in place to identify how the school will deliver its aims in respect of regular and punctual attendance. It will be reviewed annually.

Rights, Roles and Responsibilities

Our Lady and St Edward's Catholic Primary School believes that it is important that parents and carers, pupils, school staff and governors all work in partnership to encourage good attendance for all pupils. The following is a summary of the rights, roles and responsibilities for individual groups of stakeholders.

Parents and Carers

- Ensure the child(ren) in their care attend school regularly and punctually
- If the child(ren) is/are absent to inform the school office by 9.30am via email or telephone on the first day of absence and provide a reason for the absence
- If the child(ren) is/are absent for more than 1 day, to inform the school office of the continued absence and update as to the reason for the absence regularly
- To avoid leave in term time wherever possible. Where this is not thought possible, contact the school as soon as possible prior to the first proposed day of absence to request authorisation
- To advise the school, by contacting the school office, immediately if they become aware of problems with attendance
- To co-operate with the school in promoting and improving attendance e.g. attending meetings, participation in parenting contracts and supporting the school in agreed intervention/action plans
- Parents must also ensure that school has up-to-date contact information for themselves and emergency contacts.
- Adhere to systems for late registration, signing out and signing in

Pupils

- Attend school regularly and punctually
- Adhere to systems for late registration, signing out and signing in
- Acknowledge behaviour needed out of school to ensure good attendance e.g. early bedtimes and getting uniforms ready the night before

School Staff

Head Teacher

- Lead on giving attendance a high profile.
- Ensure there are designated staff with day-to-day responsibility for attendance matters and protected time allocated to discharge those responsibilities.
- Take overall responsibility for ensuring the school conforms to statutory requirements regarding attendance.

Our Lady and St Edward's Catholic Primary School

- Consider each request for leave against the school's criteria, decide whether some, all, or none of the leave will be authorised and notify parents of this decision.
- Where there is uncertainty regarding an absence, make the decision whether or not to authorise an absence, or to request further evidence to support the decision-making process.
- Provide regular reports to the governing body on school attendance, including persistent absence and vulnerable groups.

Attendance lead and other staff with designated responsibilities for attendance

- First day response: contact parents if a reason for absence has not been provided and record this information accordingly. Contact emergency contacts if parents cannot be reached.
- Update attendance registers.
- Regularly monitor and analyse data to identify pupil, class and whole school attendance concerns and to target attendance improvement support for those who need it most, particularly vulnerable groups.
- Regularly communicate pupil attendance and punctuality levels to parents.
- Work with children and parents to remove barriers to regular and punctual attendance, using parenting contracts where appropriate.
- Involve external agencies to support children and parents as appropriate to better understand and address the issues causing attendance concerns.
- Promote regular attendance through the school newsletter, website and displays and ensure the school's attendance policy is readily accessible.
- Use projects and strategies to improve attendance and punctuality for groups, classes or the whole school (eg incentive and reward schemes, certificates, traffic light letters).

All school staff

- Provide a welcoming atmosphere for children and a safe learning environment.
- Be aware of factors that can contribute to poor attendance and punctuality.
- Adhere to the procedures in place within school to promote good attendance.
- Promote the link between attendance and educational attainment to pupils and parents.
- Complete attendance registers in accordance with the legislation and under the direction of the head teacher.
- Discuss attendance concerns at an early stage with children and parents.
- Raise any concerns about attendance with the attendance lead and/or head teacher.

Governors

- Ensure compliance with The Education (Pupil Registration) (England) Regulations 2006, as amended.
- Agree an attendance policy and review it annually.
- Agree targets for attendance at Our Lady and St Edward's. The agreed target is 97.2%
- Where the school is not meeting its attendance targets, or when the governors believe there is cause for concern, instigate a review of school's attendance procedures.

- Authorise the head teacher (or other designated person) to make decisions regarding leave of absence requests.
- Work with the head teacher in establishing equitable and consistent criteria against which leave requests will be considered.

Schools are bound by a range of attendance legislation and guidance; please see the appendix for further details.

School attendance contacts

Mrs N Kippax-School Business Support Officer- contact for parents to notify school of a pupil's absence and the contact for day to day enquiries about attendance.

Mrs K Woods (Headteacher): senior leader responsible for the strategic approach to attendance in school.

The staff named above can be contacted on 01772 862305.

Lancashire County Council (the local authority)

School Attendance Support Team

Each school has a named contact in the School Attendance Support Team who can advise schools on attendance related matters, and with whom termly Targeting Support Meetings will be held. For mainstream nursery, primary and secondary schools this will be a School Attendance Support Worker (SASW); for special schools and pupil referral units (PRUs) this will be a School Attendance Consultant (SAC).

School Attendance Legal Team (SALT)

Following requests from schools for legal interventions in the event of failure to attend school regularly, SALT undertakes enforcement processes, including penalty notices, prosecutions, parenting orders, education supervision orders and school attendance orders.

Children Missing Education (CME) Team

The CME team ensures the local authority fulfils its statutory duty to identify children in their area who are not registered pupils at a school and are not receiving suitable education otherwise than at a school. For further information see section 7, below, regarding notifications schools must submit.

Procedures for Registration

Registration

The school day starts at 8.55am and finishes at 3.20pm for Infants and 3.30pm for Juniors.

Morning Registration finishes at 9.00am and the school gates close at this time.

Afternoon Registration finishes at 1.00pm for KS1 and 1.15pm for KS2

The class teacher or representative must ensure that the marked register, plus any notes received regarding absence, is returned to the school office by 9.05am/ 1.05pm or 1.20pm.

The school office is responsible for entering attendance on the electronic register and for inputting absence codes on a weekly basis.

Late Registration

Pupils requiring admittance to school following registration periods must go to the main entrance and request entry via the school office. For health and safety reasons, after 9.00am/1.00pm or 1.15pm an entry **MUST** be made on the electronic pad in the main entrance before a pupil is admitted or released. The school office is responsible for maintaining the signing in/out system. This must contain details of name, class, time admitted/time released, reason for lateness/early departure.

In accordance with current guidance, the attendance registers are closed at 9.30am/1.30pm (EYFS/KS1) or 1.45pm (KS2). This means that any pupil who arrives after the registration period but before the registers are closed will be given a late mark (L) in the register. This code is classed as a present mark, but displays that the pupil arrived late for school. Any pupil who arrives after the registers have closed but before the end of the session will be given a "late after registers closed" mark (U) in the register. This code is classed as an unauthorised absence but displays that the pupil was physically present in school for part of the session unless school has received notification of the absence.

Punctuality

Poor punctuality is not acceptable. If your child misses the start of the day, they can miss work and do not spend time with their class teacher getting important news and information for the day. Pupils arriving late also disrupt lessons, which can be embarrassing for the child and can in turn, encourage absence. Being 10 minutes late every day throughout the academic year is the same as missing two weeks of school.

If your child is often late you will be asked to meet with the head teacher to discuss ways to improve punctuality, but you can approach us at any time if you are having problems getting your child to school on time.

Persistent lateness after the register has closed may result in further action.

Signing Out

The school office is responsible for overseeing the procedure for releasing children where parents/carers have requested and been granted leave during the school day.

The child(ren) can only be released to a parent or authorised carer/family member. When an authorised adult is picking up a child within school time the school office is responsible for ensuring that they (the authorised adult) sign out using the electronic pad in the main entrance. The school office is responsible for inputting the appropriate absence code on the office electronic register.

When a child leaves the school site after the morning or afternoon register has been taken, the original mark must remain in the register and the signing in/out electronic pad should be referred to during an evacuation situation to ensure all pupils can be accounted for.

Types of absence

Authorised and Unauthorised Absence

In every instance it is the head teacher who determines whether an absence is recorded as authorised or unauthorised. This decision is made based on information provided by parents/carers. However, because the register is a legal document, the head teacher has responsibility to ensure that it is completed accurately and in accordance with the legislation. For this reason, it is not sufficient for an absence to be recorded as authorised based entirely on information provided by parents/carers. Therefore, there may be occasions when it will be necessary for parents to provide evidence of reasons for absence before authorisation is granted. For example, in the case of absence due to illness or medical appointment, evidence may be requested in the form of: sight of a prescription, prescribed medication, a medical appointment card or similar.

The school office is responsible for maintaining records of reason and length of absence.

- Parents/Carers are required to contact the school office or class teacher on the first day of absence, advising of the reason for the absence and expected return date; if known
- Where information is provided to the class teacher they are responsible for passing this information to the school office
- Where a verbal message is taken by school office staff this should be noted in the register and the class teacher informed
- Where a written note is received by the class teacher this should be returned to the school office with the register
- Where the absence is for several days, the parent/carer is responsible for informing the school of the continued absence and updating them as to the reason for the absence on a regular basis
- Where no explanation for absence is provided, or the reason provided is unsatisfactory, the absence will be recorded as unauthorised and will be addressed with parents promptly
- Schools have a responsibility to report such absence to the local authority after a period of 10 school days, or sooner if appropriate
- The reason for absence should be linked directly to the pupil (e.g. illness or medical appointment of/for the child). Reasons for absence relating to parents or siblings may not be authorised

If a child is absent and no contact has been made by the family, the school office will contact the family on the first day of absence, as the registers close at 9.30am. If contact cannot be made the head teacher should be informed and, in the case of prolonged or repeated absence without justification being given, the head teacher will determine whether a referral to the School Attendance Support Team should be made.

The head teacher is responsible for determining what is classed as authorised and what is classed as unauthorised absence.

Examples of authorised absence:

- Medical or dental appointments, which relate directly to the pupil and unavoidably fall during the school day (evidence may be required prior to authorisation)
- Illness of the pupil (evidence may be required prior to authorisation)
- Leave which has been authorised by the head teacher due to exceptional circumstances

Examples of unauthorised absence:

- Parents/carers keeping children off school unnecessarily
- truancy before or during the school day
- absences which have never been properly explained
- children who arrive at school after the register has closed
- shopping, looking after other children or birthdays
- day trips and leave in term time which have not been agreed
- days that exceed the amount of leave agreed by the head teacher

The school office is responsible for inputting the appropriate absence code on the electronic register. Where they are not certain whether an absence is authorised or not they should seek advice from the head teacher.

Persistent Absence (PA)

Persistent absence is when a child misses 10% or more of their schooling across the school year for whatever reason, authorised and unauthorised (including illness, exclusion, holiday, etc). Absence at this level will damage any child's educational prospects and we expect parents' fullest support and co-operation to address this.

At Our Lady and St Edward's, we monitor all absence thoroughly, therefore any pupil whose attendance indicates they are likely to reach the PA threshold will be prioritised and parents will be informed of this promptly. Pupils who are persistent absentees are tracked and monitored carefully and the attendance procedures will be followed.

Leave of Absence

Following the September 2013 amendment to The Education (Pupil Registration) (England) Regulations 2006, schools cannot authorise any leave other than in exceptional circumstances. The head teacher is the person authorised by the 'proprietor' i.e. the governing body, to make this decision. If the leave is being requested for a holiday, approval should be obtained prior to making any bookings.

Leave of absence **SHALL NOT** be granted unless:

- a request for leave has been made in advance, by a parent with whom the pupil normally resides (using the form available from the school office)
- the head teacher considers that leave of absence should be granted due to the **EXCEPTIONAL CIRCUMSTANCES** relating to the request.

Due to the need to evidence exceptional circumstances, parents are advised to provide school with any relevant information regarding their request at the point of application if they believe the circumstances are exceptional.

Religious absence

School will authorise one day of absence per religious festival, eg Eid, and this will be marked as code R in the register. The day authorised will be that set aside by the religious body of which the parent is a member.

Parents must request any additional leave in advance and this can only be authorised if the head teacher agrees that exceptional circumstances apply; this would be marked in the register as code C.

Participation in sporting events

Parents can request leave of absence for their child to take part in regional, national and international sporting events. However, as always, granting leave is at the head teacher's discretion

and she/he will need to discuss with you the length and frequency of the absence(s) requested and how learning will continue if absence occurs, eg the sports club or association providing an approved education tutor.

Leave for a sporting activity that has been approved by the school and supervised by someone authorised by the school can be marked in the register as code P.

Permission for your child to leave early or arrive late in order to attend coaching and training sessions is also at the discretion of the head teacher and is unlikely to be approved if it would occur regularly.

Participation in performances (eg theatre, television, modelling)

Parents of a child performer can request leave from school for their child to take part in a performance. A local authority licence must be obtained before a child can take part in a performance. Before a licence is granted, school will be consulted and head teachers must be satisfied that the leave will not have a negative effect on the child's education.

Where the licence specifies the dates that the child is to be away from school, the head teacher should authorise those days. However, where the licence does not specify dates, it is at the discretion of the head teacher to authorise the leave request.

Any absence authorised for the child to take part in a performance will be recorded as code C. Parents wishing to apply for a performance licence should go the Lancashire County Council Child performance licences webpage

Additional Factors for Consideration

Pupils attend school for a maximum of 190 days each academic year. Regular attendance is vital for your child's educational progress. The local authority expects that all parents/carers ensure their children attend school whenever possible. Absence during school time is largely prohibited by regulation and hinders academic progress. Even in exceptional circumstances, the following factors may be taken into account when considering an application for leave:

- When a pupil is just starting the school. This is very important as your child needs to settle into their new environment as quickly as possible.
- Where the pupil has already had a request for leave granted in the current or in the previous academic year.
- Immediately before and during assessment periods; dates of these will be provided at the start of each academic year
- When a pupil's attendance record already includes any level of unauthorised absence.
- Where a pupil's attendance rate is already below 96% or will fall to or below that level as a result of taking leave.
- If the absence will be detrimental to the child's educational progress and/or life chances

Any period of leave taken without the agreement of the school, or in excess of that agreed, will be classed as unauthorised and may attract sanctions such as a Penalty Notice.

If work commitments are stated as supporting evidence towards an exceptional reason for requesting leave, parents will be asked to provide employer details and any additional evidence which shows why leave cannot be taken during the school holidays

Parents/Carers who need to request leave during term time should complete an application form, available from the school office as soon as possible prior to the first proposed date of absence. The head teacher will consider the request and advise in writing within 5 days whether the absence will be authorised or not. The head teacher may request a meeting with parents before any period of leave is authorised.

Absence At The End Or Start Of Term

Sickness absences at the start or end of a term must be accompanied by a doctor's note or prescription to verify your child's reason for absence. However, if this is not possible as not all sickness requires medical attention, then we request that you call into school to see us if we cannot contact you via your landline. If we do not receive verification then the absence will be recorded as unauthorised.

Attendance Procedures

First day of absence

If your child is absent and we have not heard from you, we will telephone you on the first day of absence to find out what the reason is and when your child is expected to return. If we are unable to contact you, we will approach your emergency contacts and, if necessary, make a home visit. Please note that such home visits may be unannounced.

Attendance concerns

Parents are expected to contact school at an early stage and to work with us in resolving any attendance problems together; this is nearly always successful. However, if concerns persist, school will use the following procedures and interventions, as required, to support parents in improving their child's attendance and/or punctuality:

- Telephone calls and/or letters to make parents aware of school's concern about their child's attendance.
- Invitation to meetings to discuss concerns with our attendance lead and/or head teacher.
- Parenting contracts to identify barriers to regular attendance, ways to overcome these and agree targets for improvement.
- Incentive and reward schemes for individual pupils, if appropriate.
- The Early Help Assessment (EHA) process and/or referral to other agencies and services, including School Nurses and Primary Mental Health Workers, if appropriate.
- Request support from the local authority School Attendance Support Team.
- For unauthorised absences, request legal interventions by the local authority, such as penalty notices, prosecution or other attendance-related court orders.

At any stage, we may seek advice from our School Attendance Consultant.

Pupils with medical needs who have difficulty attending school

Government guidance on supporting pupils at school with medical conditions emphasises the role of governing bodies in ensuring that pupils with medical conditions are able to fully access education in the same way as other pupils. A key element of this responsibility is reducing the amount of time missed by these pupils, whether their condition is short or long term.

School will work with parents and other relevant professionals to minimise absence for reasons of ill health. This may be in the form of specific support or resources used within school or by sourcing appropriate provision at another establishment. When education is to be provided at an alternative location, this should always be done via the use of a direction.

When a pupil has been absent from school for an extended period, the head teacher, the class teacher and other support services will work with the family to ensure that a smooth reintegration is achieved.

Pupils refusing to attend school

At Our Lady and St Edward's, we believe that every child has a right to a full-time education, and we would not accept "school refusal" as a reason for non-attendance. In such cases, we will work with parents to identify the reasons why a child may be reluctant to attend school..

If your child is reluctant to attend school it is better to speak to school as soon as possible to resolve the issue, rather than trying to cover up their absence, or give in to pressure to let them stay at home. As a school, we will always work with parents (and external agencies as appropriate) to understand and address the reasons behind absence.

Promotion of good attendance

School will promote and incentivise attendance by acknowledging and rewarding good attendance by all pupils and efforts to improve attendance by individual pupils who have additional needs or challenging circumstances.

Use of Penalty Notices

The school takes unauthorised absence seriously and, particularly in the case of repeated unauthorised absences, will undertake further liaison with the family, pupil, the School Attendance Consultant and the School Attendance Support Team as appropriate. School may request that the local authority issue penalty notices in respect of unauthorised absence. In accordance with the local Code of Conduct; ten unauthorised sessions (5 days, 10 half days) during the current term or fourteen sessions (7 days, 14 half days) over two consecutive terms. The school may seek to use Penalty Notices in respect of unauthorised leave. This includes:

- Leave of absence which is taken without a prior request being made.
- Leave taken after a request has been declined.
- Days taken in excess of an agreed period of leave, without good reason.
- Other unauthorised absence that meets the required threshold, including sessions marked as late after the register has closed (code U).

The code of conduct for penalty notices and information and FAQs for parents can be found on the Lancashire County Council [education penalty notice webpage](#)

The school office is responsible for recording leave requests in the electronic register and will retain copies of correspondence regarding requested leave of absence for 3 years. They will also be responsible for highlighting to the Headteacher if absence continues after the notified period. In this instance the Headteacher will undertake further liaison with the family, pupil, the School Attendance Consultant and the School Attendance Support Team as appropriate and a Penalty Notice may be considered.

Alternative provision and use of directions

There is a range of circumstances when pupils might be required to access educational provision at a venue other than their main school. The main reasons are:

- Pupils who have been excluded, either for a fixed period of more than 5 days or permanently.
- Pupils unable to access provision at their main school for medical reasons.
- Pupils required to attend another venue for the purpose of improving behaviour, either on a temporary basis or with a view to making a permanent move to the alternative provision (via a managed move).

When a pupil is required to attend alternative provision for the purposes of improving behaviour, the governors of the main school must issue a written direction or notice informing all parents of the alternative provision which their child is required to attend. Where a pupil is required to attend alternative provision for other reasons, the issuing of a written direction is considered best practice.

Notifications school must submit to the local authority

Admissions

All schools must notify the local authority within five days of adding a pupil's name to the admission register and must provide the local authority with all the information held within the admission register about the pupil. This duty does not apply to pupils who are added to the admission register at the start of the school's youngest year unless the local authority also requests for such information to be provided (currently Lancashire does not).

Leavers

All schools must notify the local authority when a pupil's name is to be deleted from the admission register under any of the grounds prescribed in regulation 8 of the Education (Pupil Registration) (England) Regulations 2006, as soon as the ground for removal is met and no later than the time at which the pupil's name is removed from the register. This duty does not apply where the pupil's name is removed after they have completed the school's final year, unless the local authority requests for such information to be provided (Lancashire currently does not).

Where a school notifies a local authority that a pupil's name is to be deleted from the admission register, the school must provide the local authority with the required information as laid out in regulation.

In addition to submitting a notification about removal from roll, some circumstances also require school to make referral to other local authority teams such as the Elective Home Education team or the Children Missing Education team. Schools may also contact their School Attendance Consultant for advice on removing children from roll.

Pupils who fail to attend

All schools (including academies) must inform the local authority of any pupil who fails to attend school regularly or has been absent without the school's permission for a continuous period of 10 days or more. In Lancashire primary schools, this can be done via a variety of means and school can contact their School Attendance Consultant for further advice.

Children missing education (CME)

Local authorities have a duty to put in place arrangements for identifying (as far as possible) those children of compulsory school age in their area who are not school registered or receiving suitable education otherwise than at a school. Local authorities should trace those children and ensure they receive a full-time education.

If a pupil has stopped attending and her or his location is unknown, schools must make reasonable enquiries to establish the whereabouts of the child jointly with the local authority, before deleting the pupil's name from the register. In such cases, school should undertake a home visit, prior to a referral being made to the local authority Children Missing Education team.

Monitoring, Analysis and Action Planning

The governors have determined that the head teacher has overall responsibility for the monitoring, analysis and action planning of school attendance. The head teacher is also responsible for ensuring that data is returned promptly to the local authority and DfE within deadlines. However, it is expected that the day to day implementation of this will largely rest with the class teachers who take the register and highlight causes of concern and the school office who are responsible for maintaining the school records on attendance and for highlighting causes for concern.

The head teacher will review the attendance records at least once every half term to check that there are no outstanding causes for concern and that codes are being used consistently. In addition, the head teacher will address specific concerns as they arise.

The head teacher is required to review this whole school attendance policy and procedural framework annually and to report on attendance matters to the governors termly. The governors will also review the attendance policy at least annually to ensure that it continues to meet the needs of the school.

If there is a trend of worsening attendance in a particular group of pupils, including pupils who belong to any vulnerable group, discussions should be held between the head teacher and appropriate staff to agree action plans to reverse the trend. It should also be reported to the governors at the next full governor's meeting.

School also uses whole school incentive and reward schemes in order to raise the profile of; and promote good levels of attendance. These schemes will be reviewed and changed regularly in order to ensure that children remain interested and motivated. These include termly class rewards.

Criteria and Systems for referral to and working with the School Attendance Consultant and the School Attendance Support Team

The head teacher is responsible for ensuring consistent referral of regular or unjustified absence. The criteria for referral are outlined in the systems below:

A request for support will be made to the local authority attendance team (School Attendance Support Team) when:

- School have informed parents of their concerns regarding attendance
- School have attempted to employ appropriate strategies in order to improve attendance
- School strategies have failed to prompt the required amount of improvement in attendance OR parents refuse to engage with school support

In addition to the above, the head teacher can discuss general attendance matters with the School Attendance Consultant. The purpose of such discussions would be to:

- Monitor progress towards targets, highlighting any concerns and identifying any action required
- To receive guidance on latest best practice
- To receive information about local and national trends and benchmarking
- To discuss whether current attendance policy and procedures are effective

School System for dealing with concerns about Lateness and Absence

- The head teacher will discuss the matter informally with the family (including the pupil)
- Parents and children, if appropriate, will be asked to agree to a parenting contract, or take part in attendance panels, which will include the setting of targets and will be reviewed regularly
- When persistent lateness is an issue and/or parents fail to follow procedures by not accompanying late arriving pupils into school to sign them in, this will be communicated to parents via letter or a meeting in school as appropriate
- If lateness/absence persists, and school procedures fail to promote the required level of improvement, the head teacher will contact the School Attendance Support Team who will attend meetings with the family and head teacher as appropriate and help school determine whether any further interventions are required. These interventions will include consideration of the use of legal measures (penalty notices and prosecution)
- Incentive and reward schemes will be used for individual pupils, as appropriate.

School System for reintegrating pupils who have had long term absence

When a pupil has been absent from school for an extended period, the head teacher, the class teacher and other support services will liaise with the family to ensure that a smooth reintegration is achieved.

Communication of Attendance Policy and Procedure

It is important that the school's policy on attendance is communicated to all the stakeholders and that parents, pupils and staff know the procedures and systems that are in place to implement it.

The governors have determined that:

- The attendance policy will be placed on the school website
- Details of the policy and the procedure for requesting absence in term time, and signing in and out of school will be disseminated as part of the new parent induction process e.g. induction package, talks to new parents
- Reference to the school attendance policy regarding leave during term time is to be made clear when the school calendar of dates is sent out each year
- Summary of responsibilities under the attendance policy will be contained in the home/school agreement
- Staff responsibilities will be contained in the staff handbook
- The head teacher will ensure that staff receive training regarding their responsibilities in relation to the attendance policy and procedures
- The head teacher will provide a summary of attendance and causes for concern to the governors during termly meetings
- Details of the absence record of the school will be communicated as part of the school profile/prospectus
- Attendance and punctuality will be included in newsletters on a regular basis
- Attendance will be reported to parents termly via attendance letters and annually via the end of year report which will include a certificate of attendance, where applicable

Appendix: School attendance and the law

There are many pieces of legislation and government regulations and guidance that are relevant to school attendance and to children and their parents and carers. The list below relates to this attendance policy but is not exhaustive.

Parents and carers

Duty to ensure children receive education

Section 7 of the Education Act 1996 covers the duty of parents to secure the education of children in their care who are of compulsory school age and states:

The parent of every child of compulsory school age shall cause him to receive efficient full-time education suitable—

- (a) to his age, ability and aptitude, and*
- (b) to any special educational needs he may have, either by regular attendance at school or otherwise.*

Offence if a child does not attend regularly

Under Section 444 of the Education Act 1996, if a child of compulsory school age who is a registered pupil at a school fails to attend regularly, their parent is guilty of an offence.

The offence is absolute as the only defences available to the parent are those statutory defences listed within that section of the Act, ie:

- the child was absent with leave granted by the school;
- the child was prevented from attending by reason of sickness or any unavoidable cause;
- absence was on a day exclusively set apart for religious observance by the religious body to which their parent belongs;
- that the school is not within statutory walking distance and that the local education authority has made no suitable transport arrangements or enabled the pupil to become registered at an alternative nearer school.

Compulsory school age

Section 8 of the Education Act 1996 establishes that a child becomes of compulsory school age on the start date of the term following her/his fifth birthday, or that day if her/his fifth birthday falls on the day term starts.

A child ceases to be of compulsory school age on the last Friday in June in the academic year in which he/she reaches the age of 16 or if he/she reaches 16 after the last Friday in June but before the start of the new school year.

Legal definition of "parent" in relation to attendance

The law requires that all “parents” are held responsible for their child’s attendance. This definition can include any person who has care of the child. Section 576 of the Education Act 1996 states:

Meaning of “parent”.

(1) In this Act, unless the context otherwise requires, “parent”, in relation to a child or young person, includes any person—

(a) who is not a parent of his but who has parental responsibility for him, or

(b) who has care of him.

Thus, the definition of “parent” means all natural parents, whether they are married or not, and includes any person who, although not a natural parent, has parental responsibility and/or care for a child or young person.

Working together to improve school attendance, DfE, 2022, explains which codes schools should use to record attendance in their registers, and specifies the DfE's expectations of schools and local authorities with respect to school attendance.
